DECLARATION OF PERFORMANCE

Flexitec Roof Waterproofing System

1. Unique Identification Code Of The Product Type

Flexitec Roof Waterproofing System.

2. Type, Batch, or Serial Number, or Any Other Element

Flexitec Roof Waterproofing System (Batch number is on individual packaging).

3. Intended Use Or Uses

Flexitec Roof Waterproofing System is a liquid applied roof waterproofing kit for flat and pitched roofs.

4. Manufacturer

Res-Tec Ltd, Unit 25, Castle Park Industrial Estate, Flint, Flintshire, CH6 5XA, UK

5. System of Assessment

System 3

ETA-Danmark A/S

ETA No. 24/0069

In accordance with EAD 030350-00-0402

7. Declared Performance

Essential Characteristics	Performance	Test Method	Harmonised Technical Specifications
External Fire Performance	B _{ROOF} (t4)	ENV 1187 EN 13501-5	EAD 030350-00-0402
	B _{ROOF} (t1)		
Reaction to Fire	NPD Euroclass F	EN ISO 11925-2 EN 13501-1	
Categorisation by Working Life	W3	In accordance with EAD 030350-00-0402	
Categorisation by Climatic zones	M		
Categorisation by Imposed Loads	P4		
Categorisation by Roof Slope	S1 to S4		
Categorisation by Surface Temperature	Lowest: TL3 Highest: TH4		
Statement on Dangerous Substances	None Contained		
Root Resistance	NPD		
Slipperiness	NPD		
Resistance to Wind Loads	>50kPa		
Water Vapour Diffusion	Sd – 57m	EN 1931	
Assembled kit thickness	1.50mm – 1.75mm (minimum)		

8. Declaration

The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 7. This declaration is issued under the sole responsibility of the manufacturer identified in point 4

Signed for and on behalf of the manufacturer by:

Steve Henshaw
Technical Director

Patrick Roberts
Managing Director
